PROFESSIONAL EXPERIENCE

Calls Experts **Apr 2023 - Jun 2026**

Customer Service Representative

- Managed an average of 120 outbound calls daily using predictive dialer systems, maintaining consistent productivity across high-volume customer engagement campaigns.
- Generated an average of 80 Live Transfers (LTs) daily, exceeding the established target of 50 transfers by 60% and consistently delivering qualified prospects to licensed agents.
- Achieved a 100% quality performance score while maintaining accuracy, professionalism, compliance and customer-focused communication throughout high-volume calls.
- Pre-qualified prospects against insurance eligibility criteria, efficiently identifying qualified leads and improving the quality of opportunities transferred to licensed agents.
- Accurately maintained customer records by documenting call outcomes, customer information and lead status in CRM systems in real time, supporting data accuracy, follow-up and pipeline visibility.
- Consistently balanced 120 daily calls, 80 average live transfers, CRM documentation and quality requirements, demonstrating strong productivity, attention to detail and performance under pressure.

MTN Communications **Feb 2015 - Mar 2023**

Customer Service Associate

- Managed over 200 inbound customer calls daily while consistently meeting first-call resolution and average handle time KPI of 1 minute 30 seconds.
- Identified customer needs during interactions and successfully cross-sold and upsold relevant MTN products and value-added services, contributing to revenue growth and sales targets.
- Educated customers on the wide range of MTN's products and Services and escalated complex issues to backend support for quick resolution.
- Consistently recorded and documented all queries and logs on Siebel CRM and consistently met and exceeded daily targets.
- Collaborated with supervisors to refine call scripts, improve conversation flow and identify opportunities to increase call efficiency and lead-transfer performance.
